<b>Fund Change</b>	\$9,917	\$7,327
<b>Ending Fund Balance</b>	\$46,318	\$36,401

Contributions/donations for 2018 were the highest in the history of the OAA, enabling us to sponsor the largest parent/professional conference in our history held in Minneapolis during June 2018. This funding allowed us to cover conference expenses and end the year with a strong cash balance that will be used to support future programs and grants.

On behalf of everyone associated with the OAA, we thank our financial contributors – because without their support we would not be able to deliver the services for parents and professionals that have become the hallmark of our organization since its founding over three decades ago.
